

Worried About How to Pay The Heating Bill? WE CAN HELP.

You are not alone. Many people are worried about where their next energy bill payment is coming from, even if they've never had to worry about that before.

MICA's Low-Income Home Energy Assistance Program (LIHEAP) helps families in need make a one-time payment to the utility vendor. The program also ensures that, whether or not you are current on your bill, your energy can't be shut off until May 1.

We may be able to refer you to other resources that can help your family like emergency food. Even if you have only recently been laid off or lost some of your family's income, please consider giving us a call to apply.

Applying is easy! Call us at the number listed for your county:

MARSHALL/STORY: 515-956-3333
TAMA/POWESHIEK: 641-236-3923
HARDIN: 641-648-5036

Please call us for eligibility information and how to apply!

The application deadline for the program is May 31.

Find out more at www.micaonline.org/liheap or follow us on Facebook at Mid-Iowa Community Action (MICA).
