

MARSHALLTOWN AREA CHAMBER OF COMMERCE

LEADERSHIP MARSHALLTOWN

The Leadership Marshalltown program has graduated business and community leaders who have stepped up and taken roles in various local businesses, non-profit organizations, as well as board seats for a variety of Marshalltown area service clubs and organizations. The program is a 9-month long leadership and community awareness initiative that introduces class members to various community issues, programs, businesses, resources, and events, while also incorporating the Kansas Leadership Center's leadership framework to develop the individuals as leaders both inside the business and out.
